

Kendall's . . Plasticity Analysis

Kendall correlation (.) – Rank Agreement . Plasticity Analysis

Spearman correlation (.) – Rank Agreement . Plasticity Analysis

Pearson correlation (r) – Absolute Values . Plasticity Analysis

Method × Summary-stat Kendall correlation .

Summary Statistic

Agreement network (. >= 0.8) . Plasticity Analysis

Pairwise top-3 overlap (methods x methods) . Plasticity Analysis (k=3)

Pairwise top-5 overlap (methods x methods) . Plasticity Analysis (k=5)

Pairwise top-10 overlap (methods × methods) . Plasticity Analysis (k=10)

Pairwise top-15 overlap (methods × methods) . Plasticity Analysis (k=15)

Pairwise top-20 overlap (methods × methods) . Plasticity Analysis (k=20)

PCA Biplot: Genotypes x Methods x Summary Stats . Plasticity Analysis

Gray points: Genotypes | Colored arrows: Plasticity methods | Red arrows: Summary statistics
PC1: 80% variance | PC2: 7.9% variance
