

Kendall's . . Rank Agreement Analysis

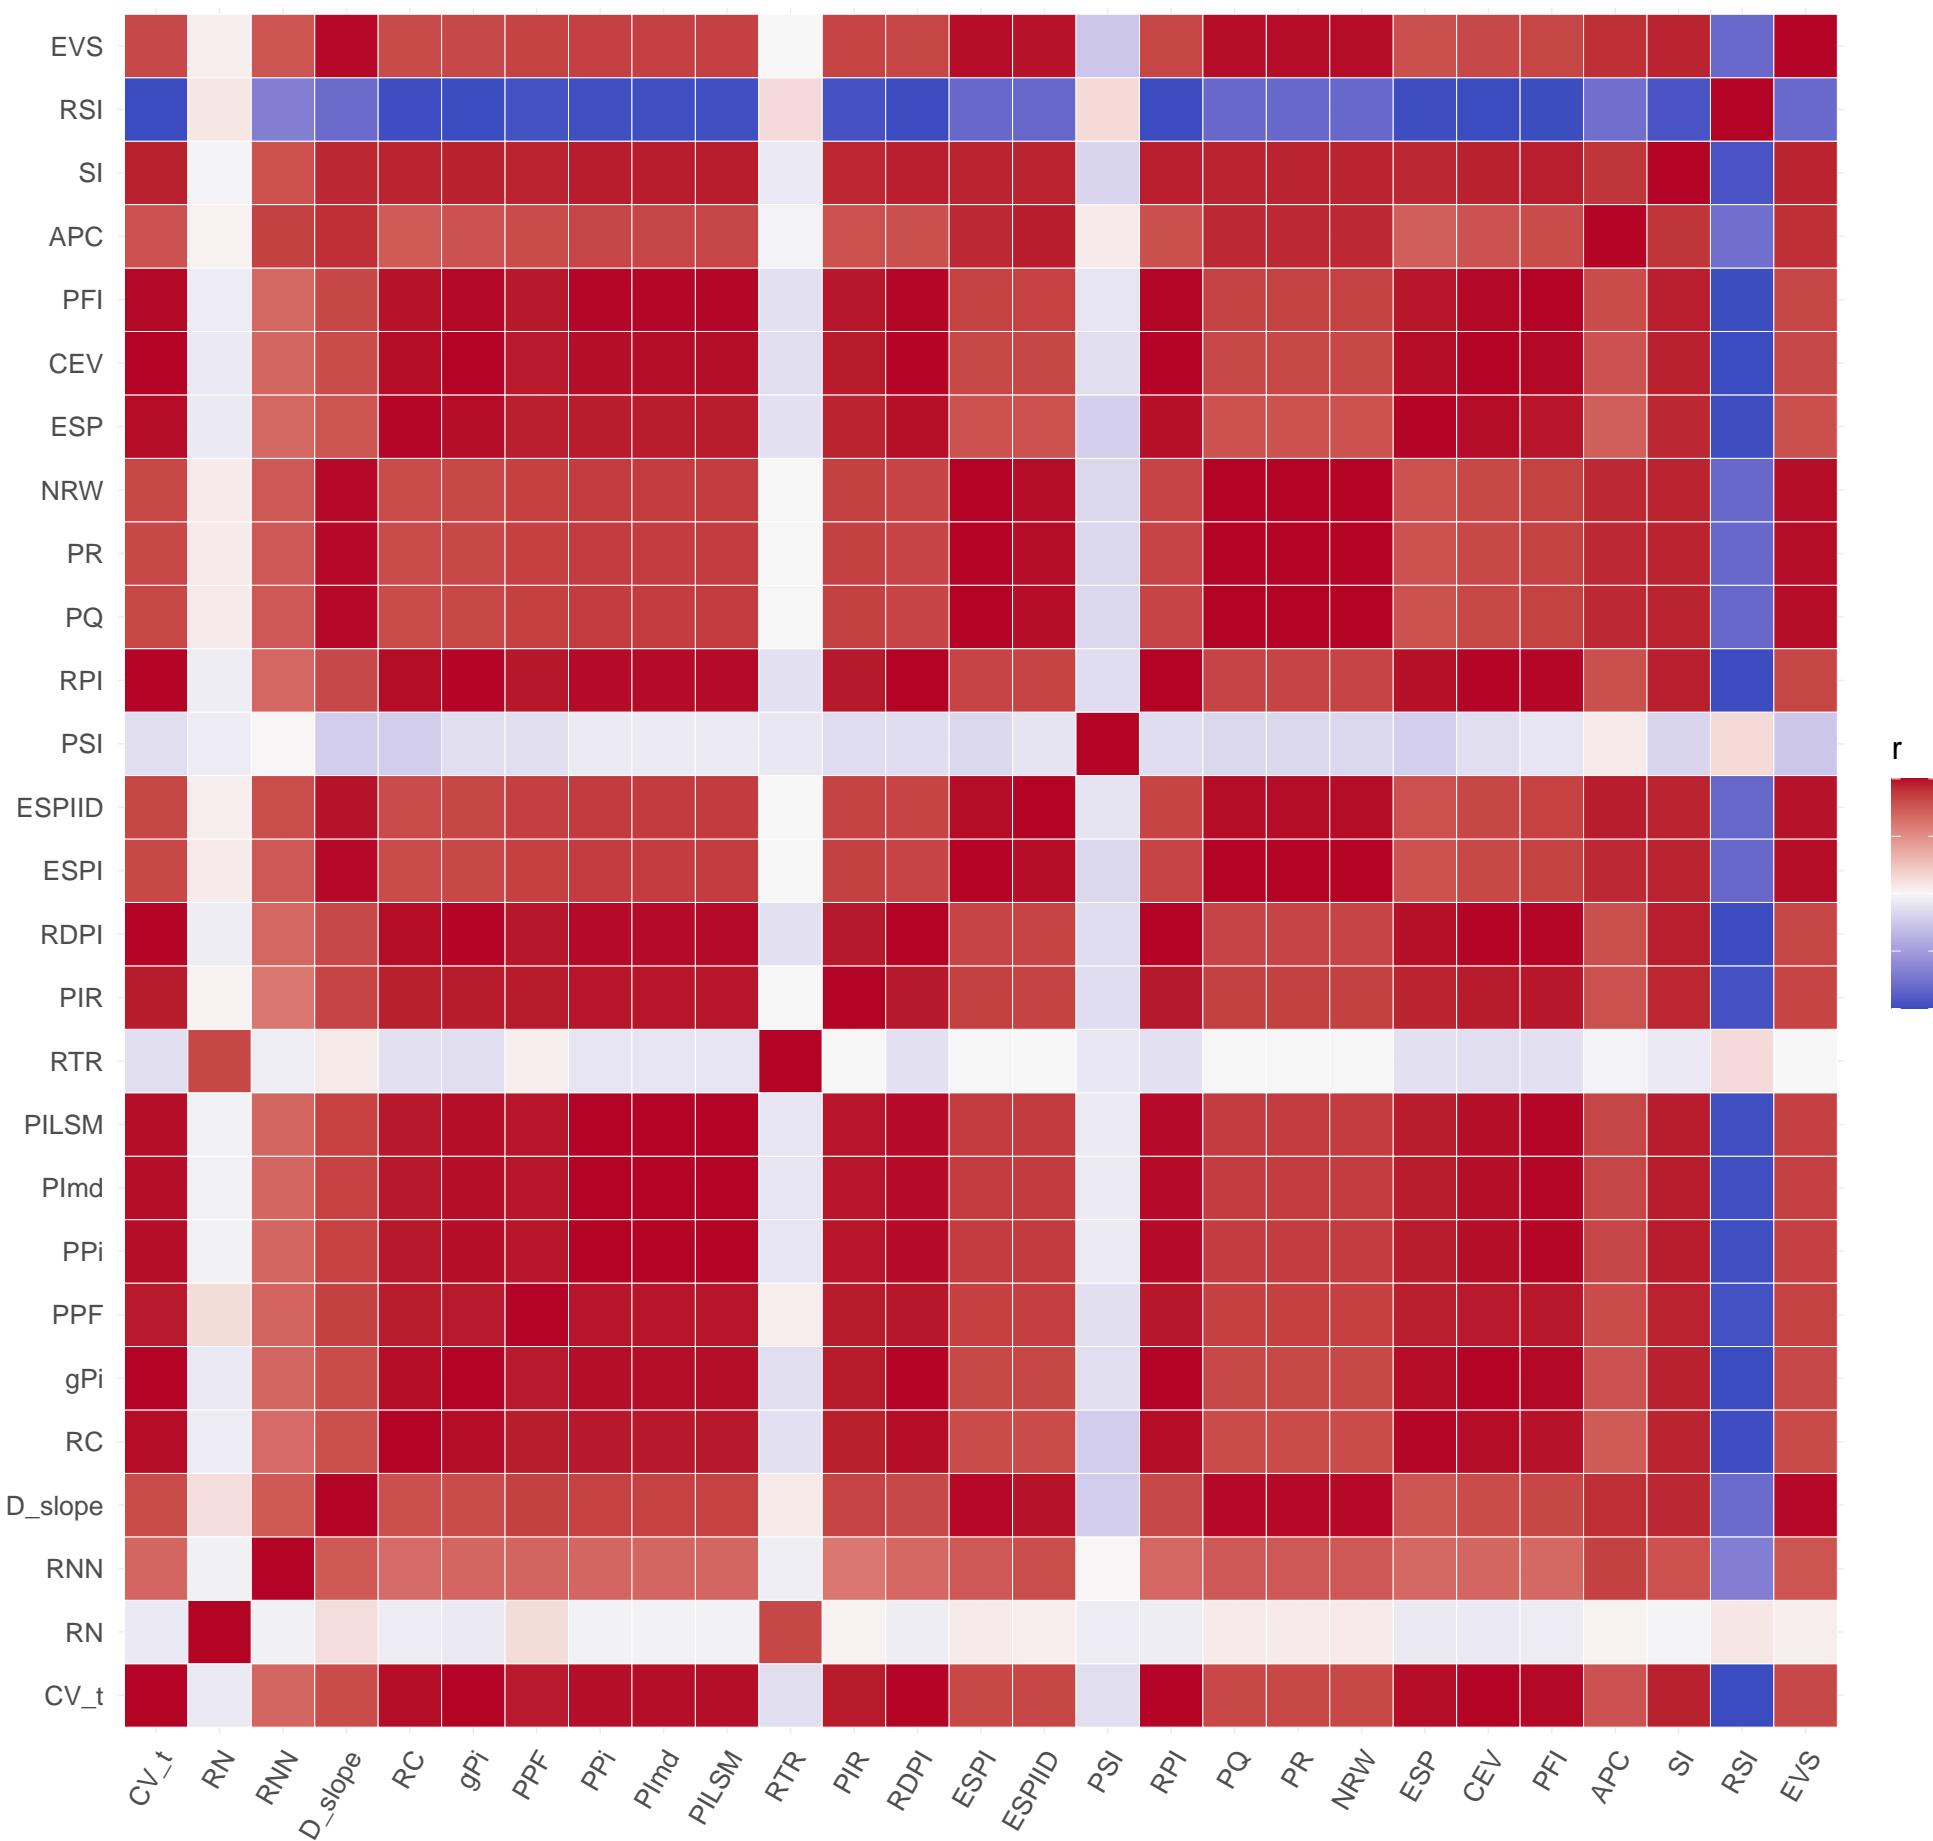

Kendall correlation (.) on ranks . Rank Agreement

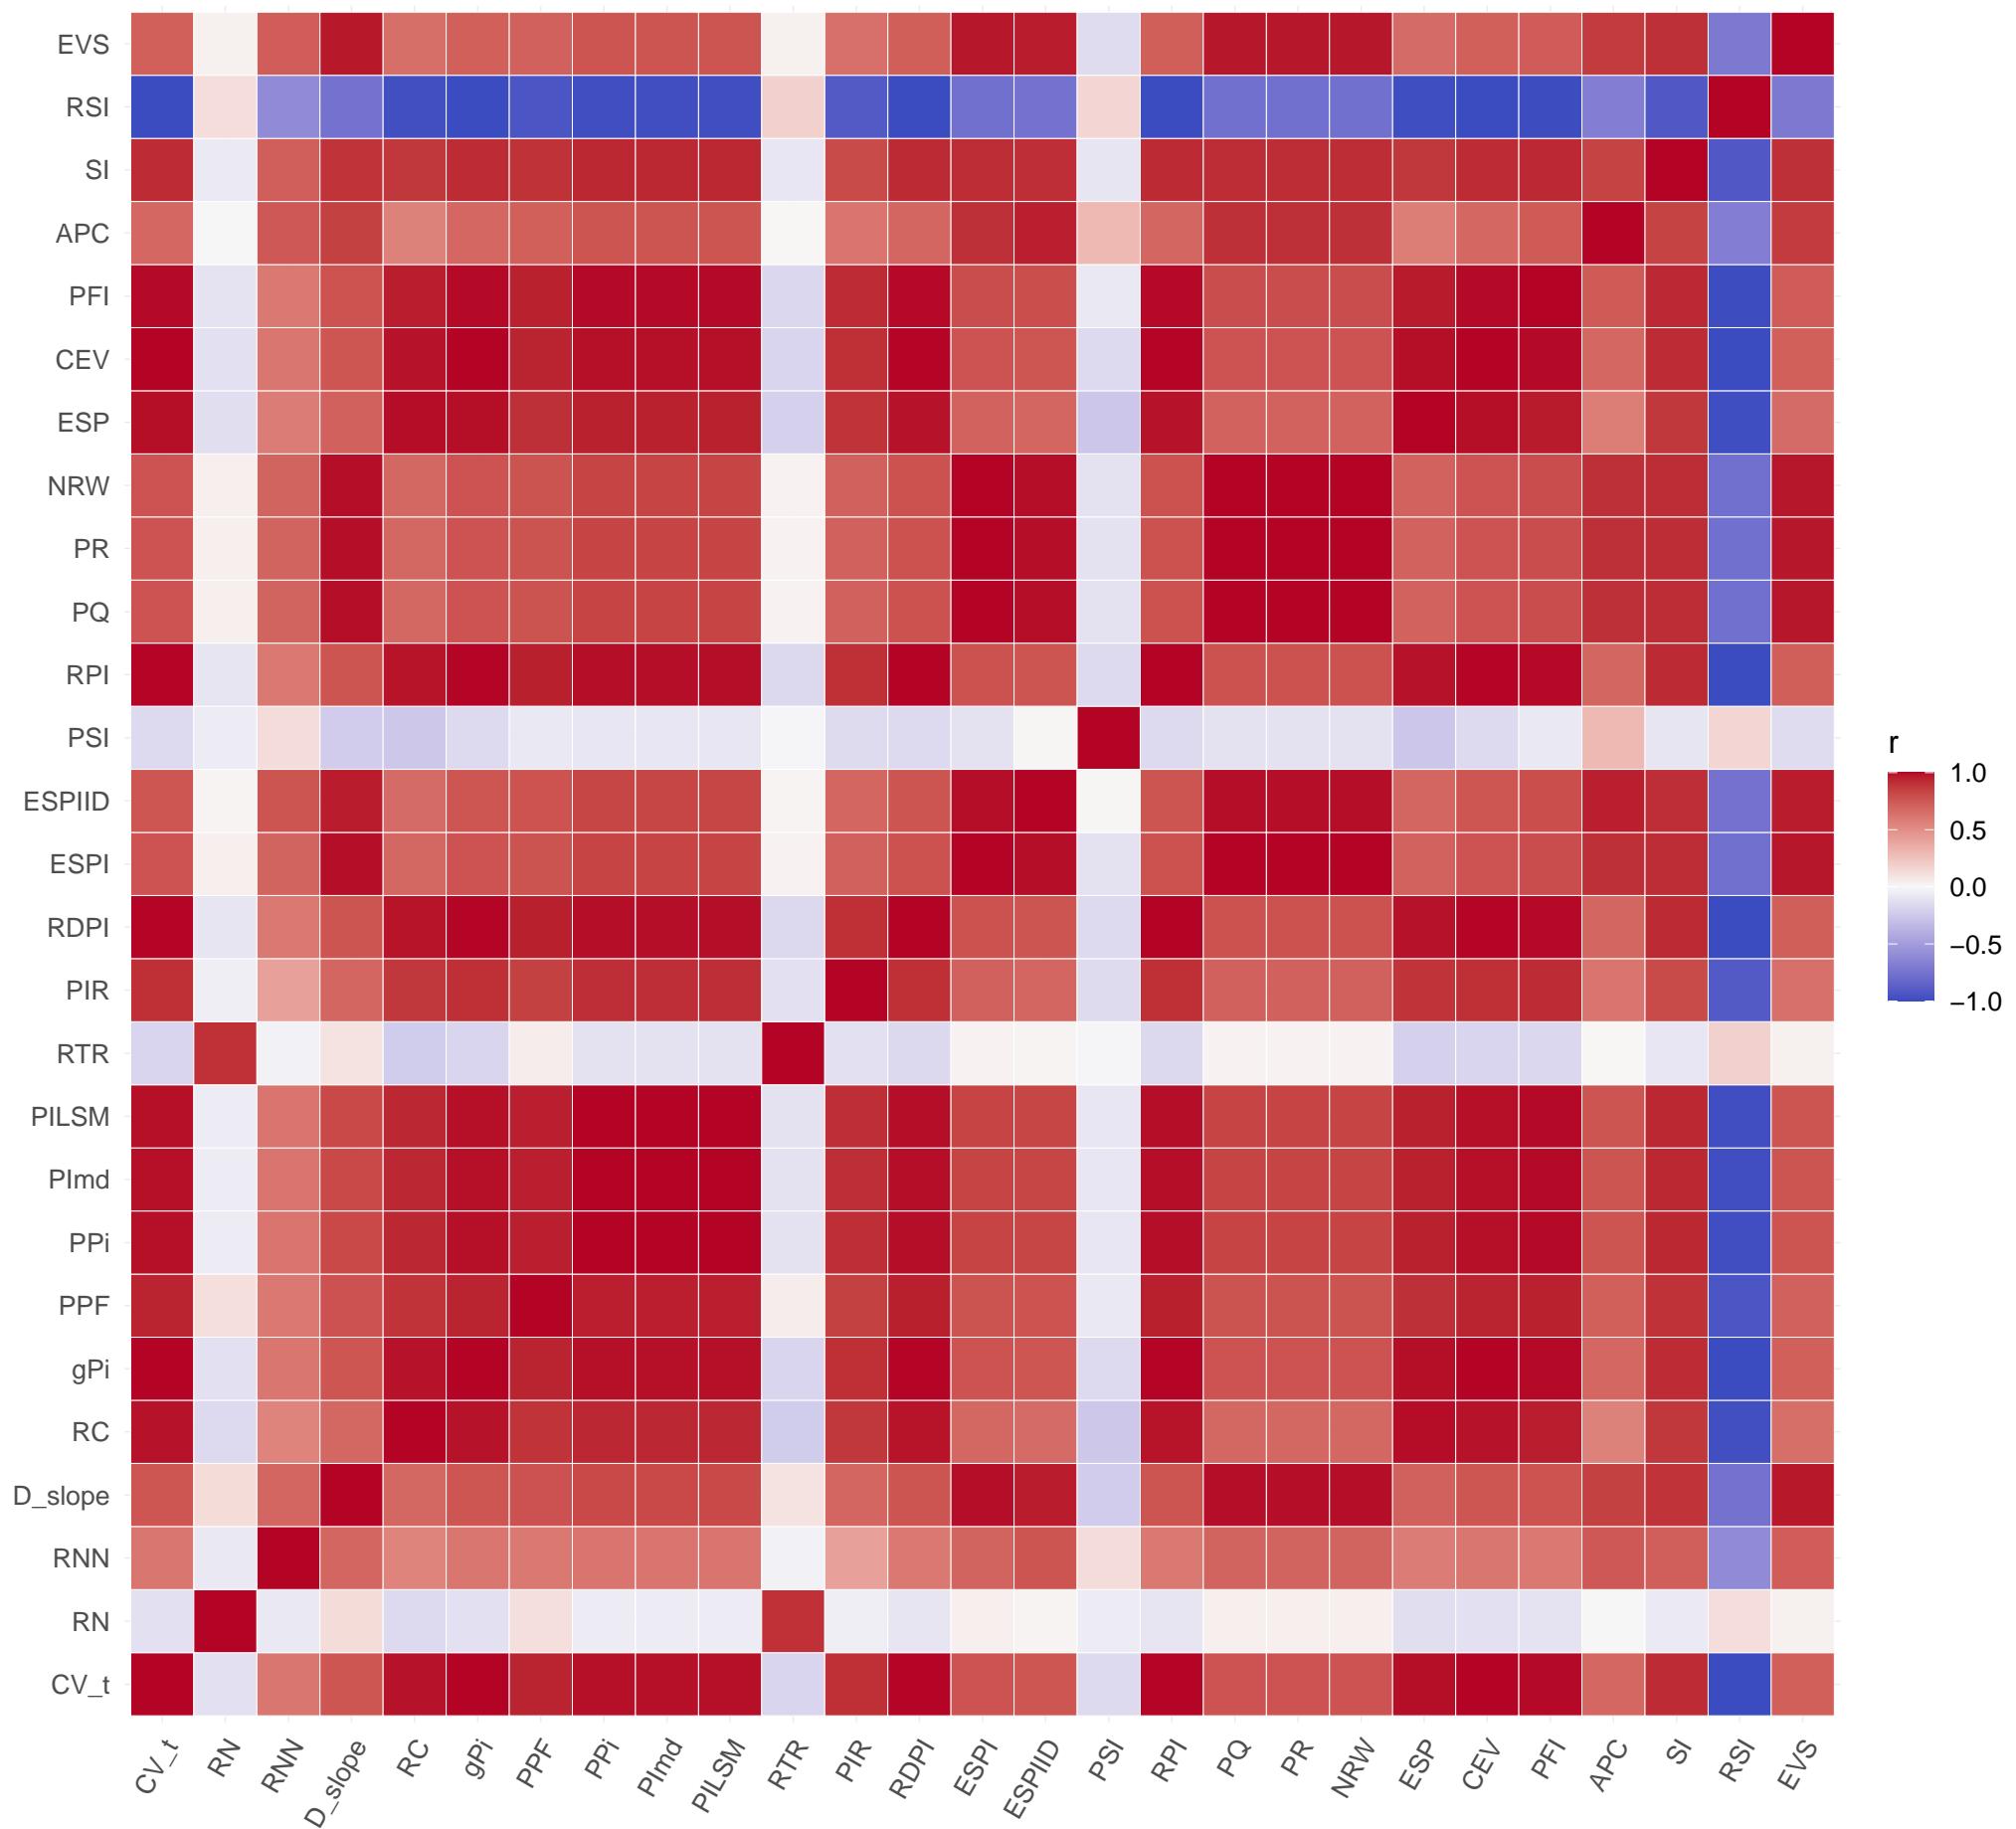

Spearman correlation (.) on ranks . Rank Agreement

Pearson correlation (r) on ranks . Rank Agreement

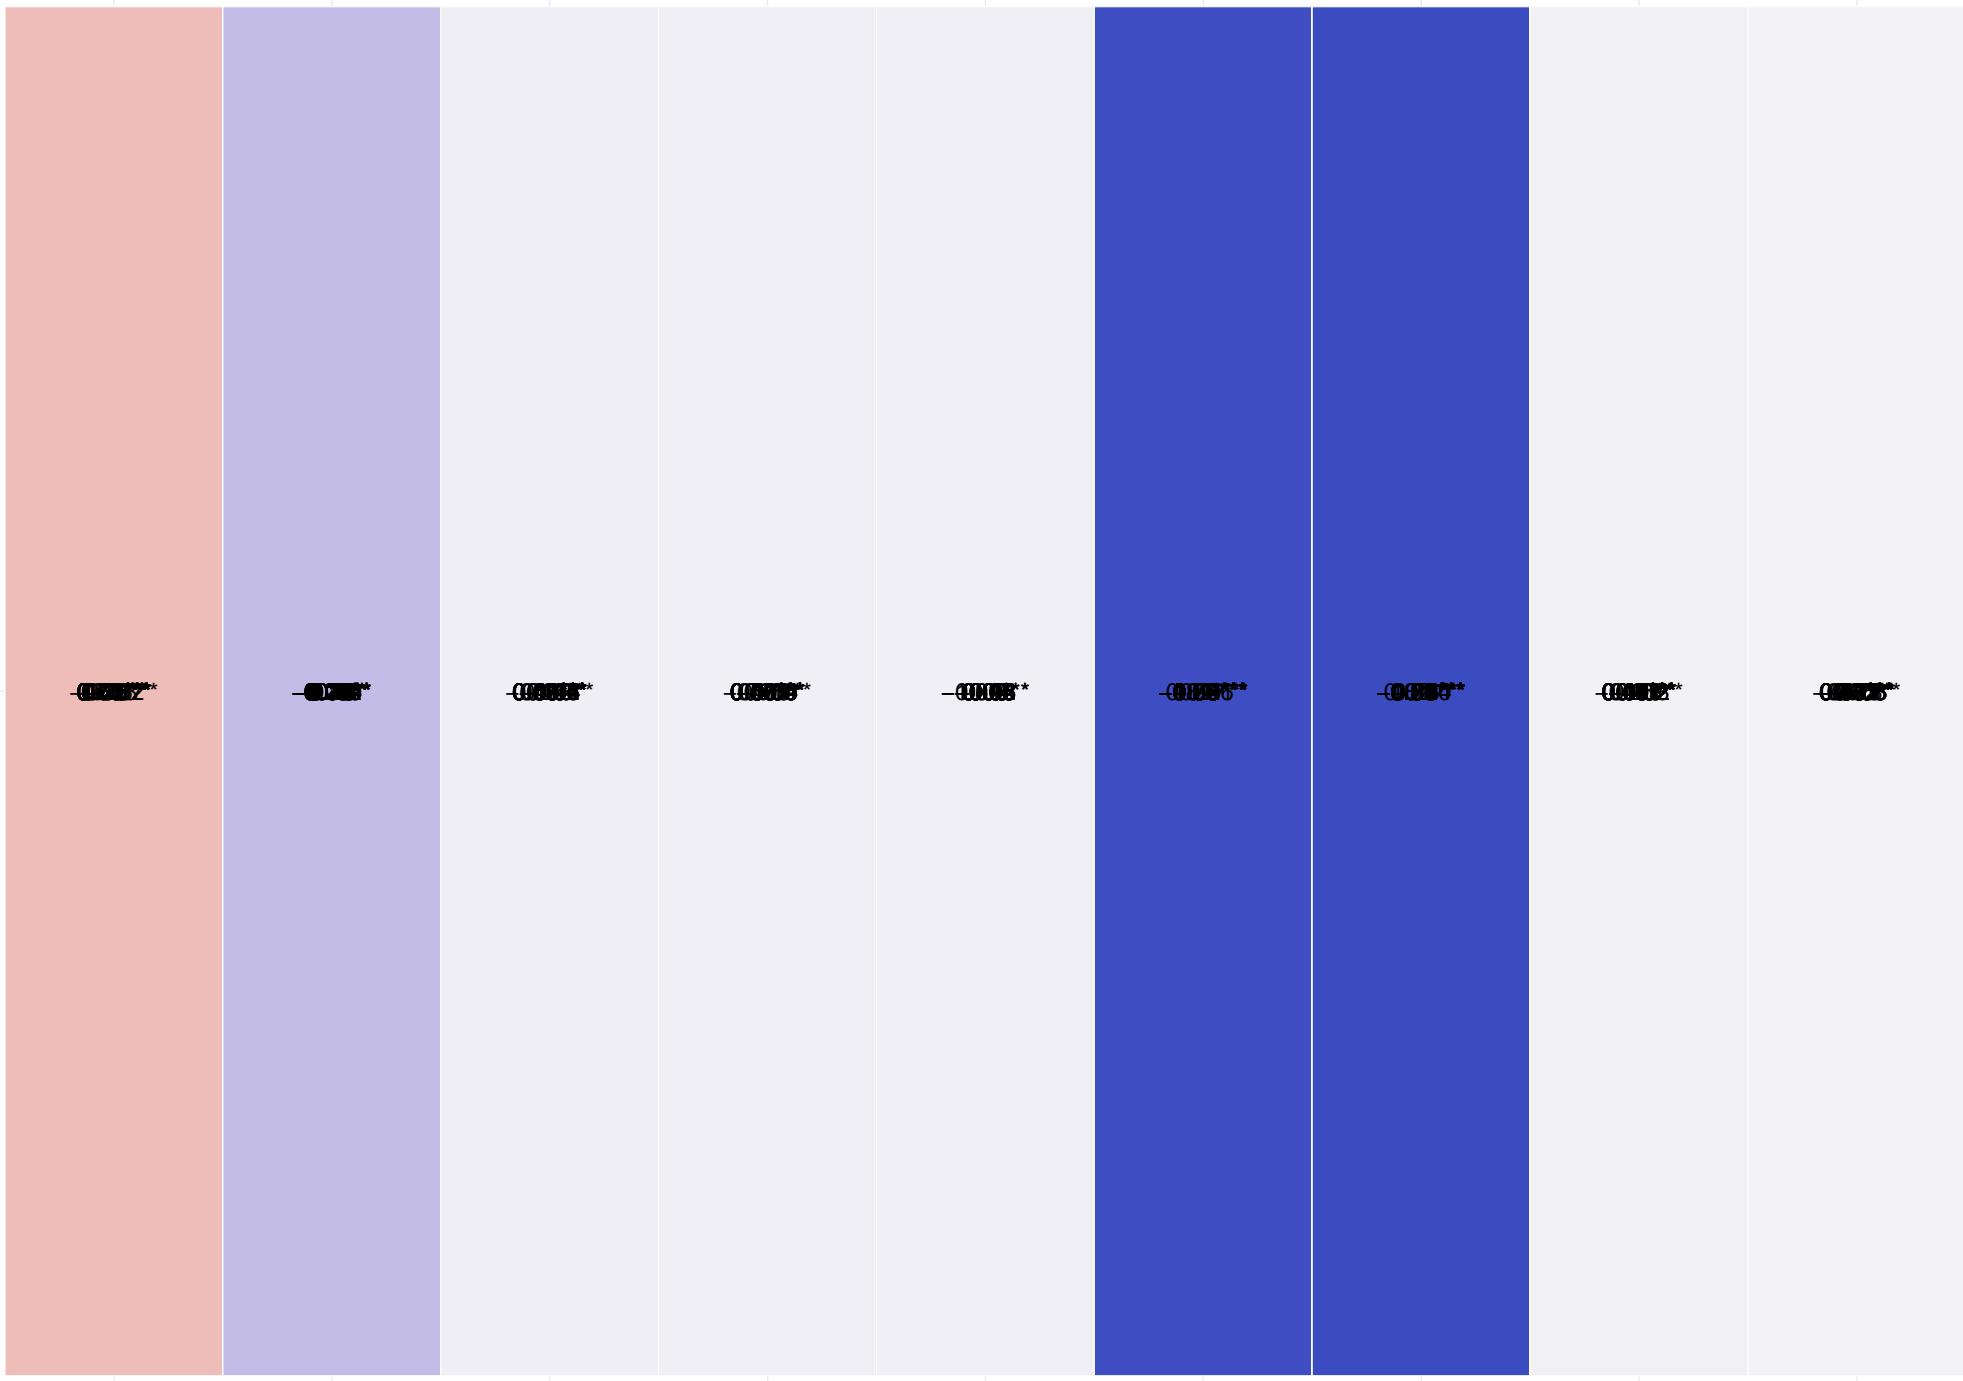

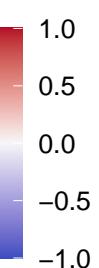

Pearson correlation (r) on absolute plasticity scores . Absolute Values

Method x Summary-stat Kendall correlation .

Plasticity Score / Method

Summary Statistic

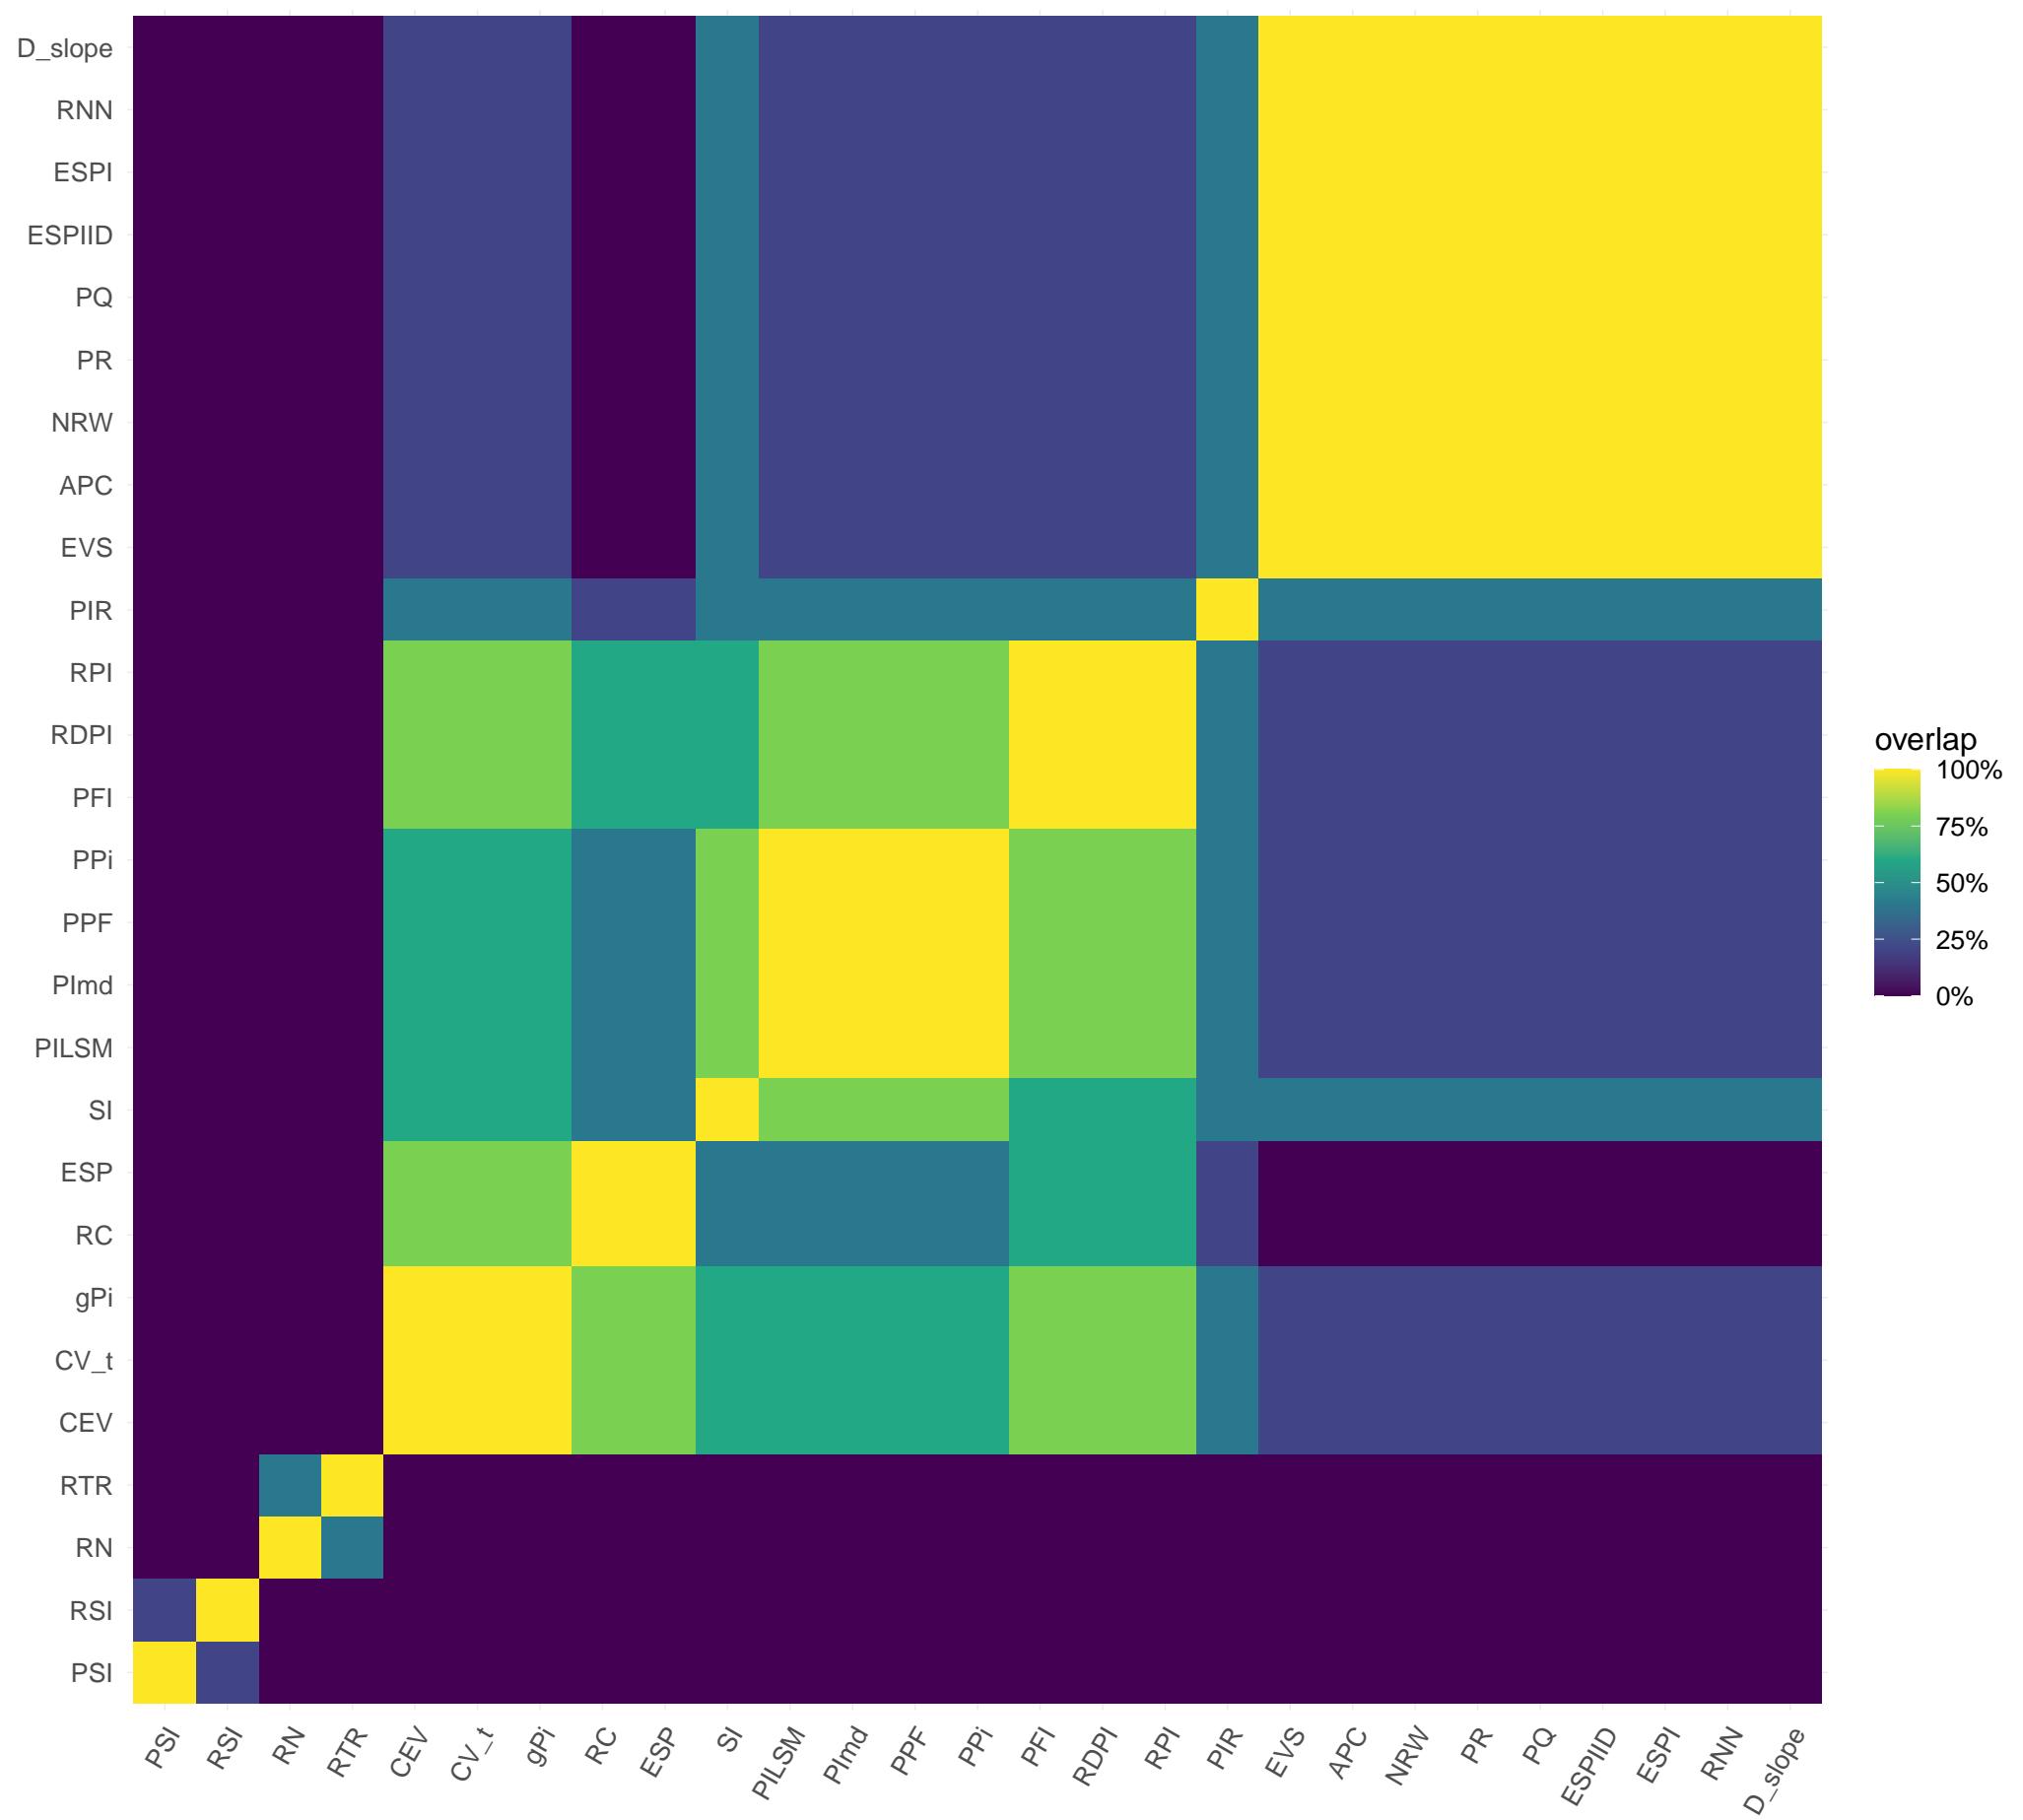

Agreement network (. >= 0.8) . Rank Agreement

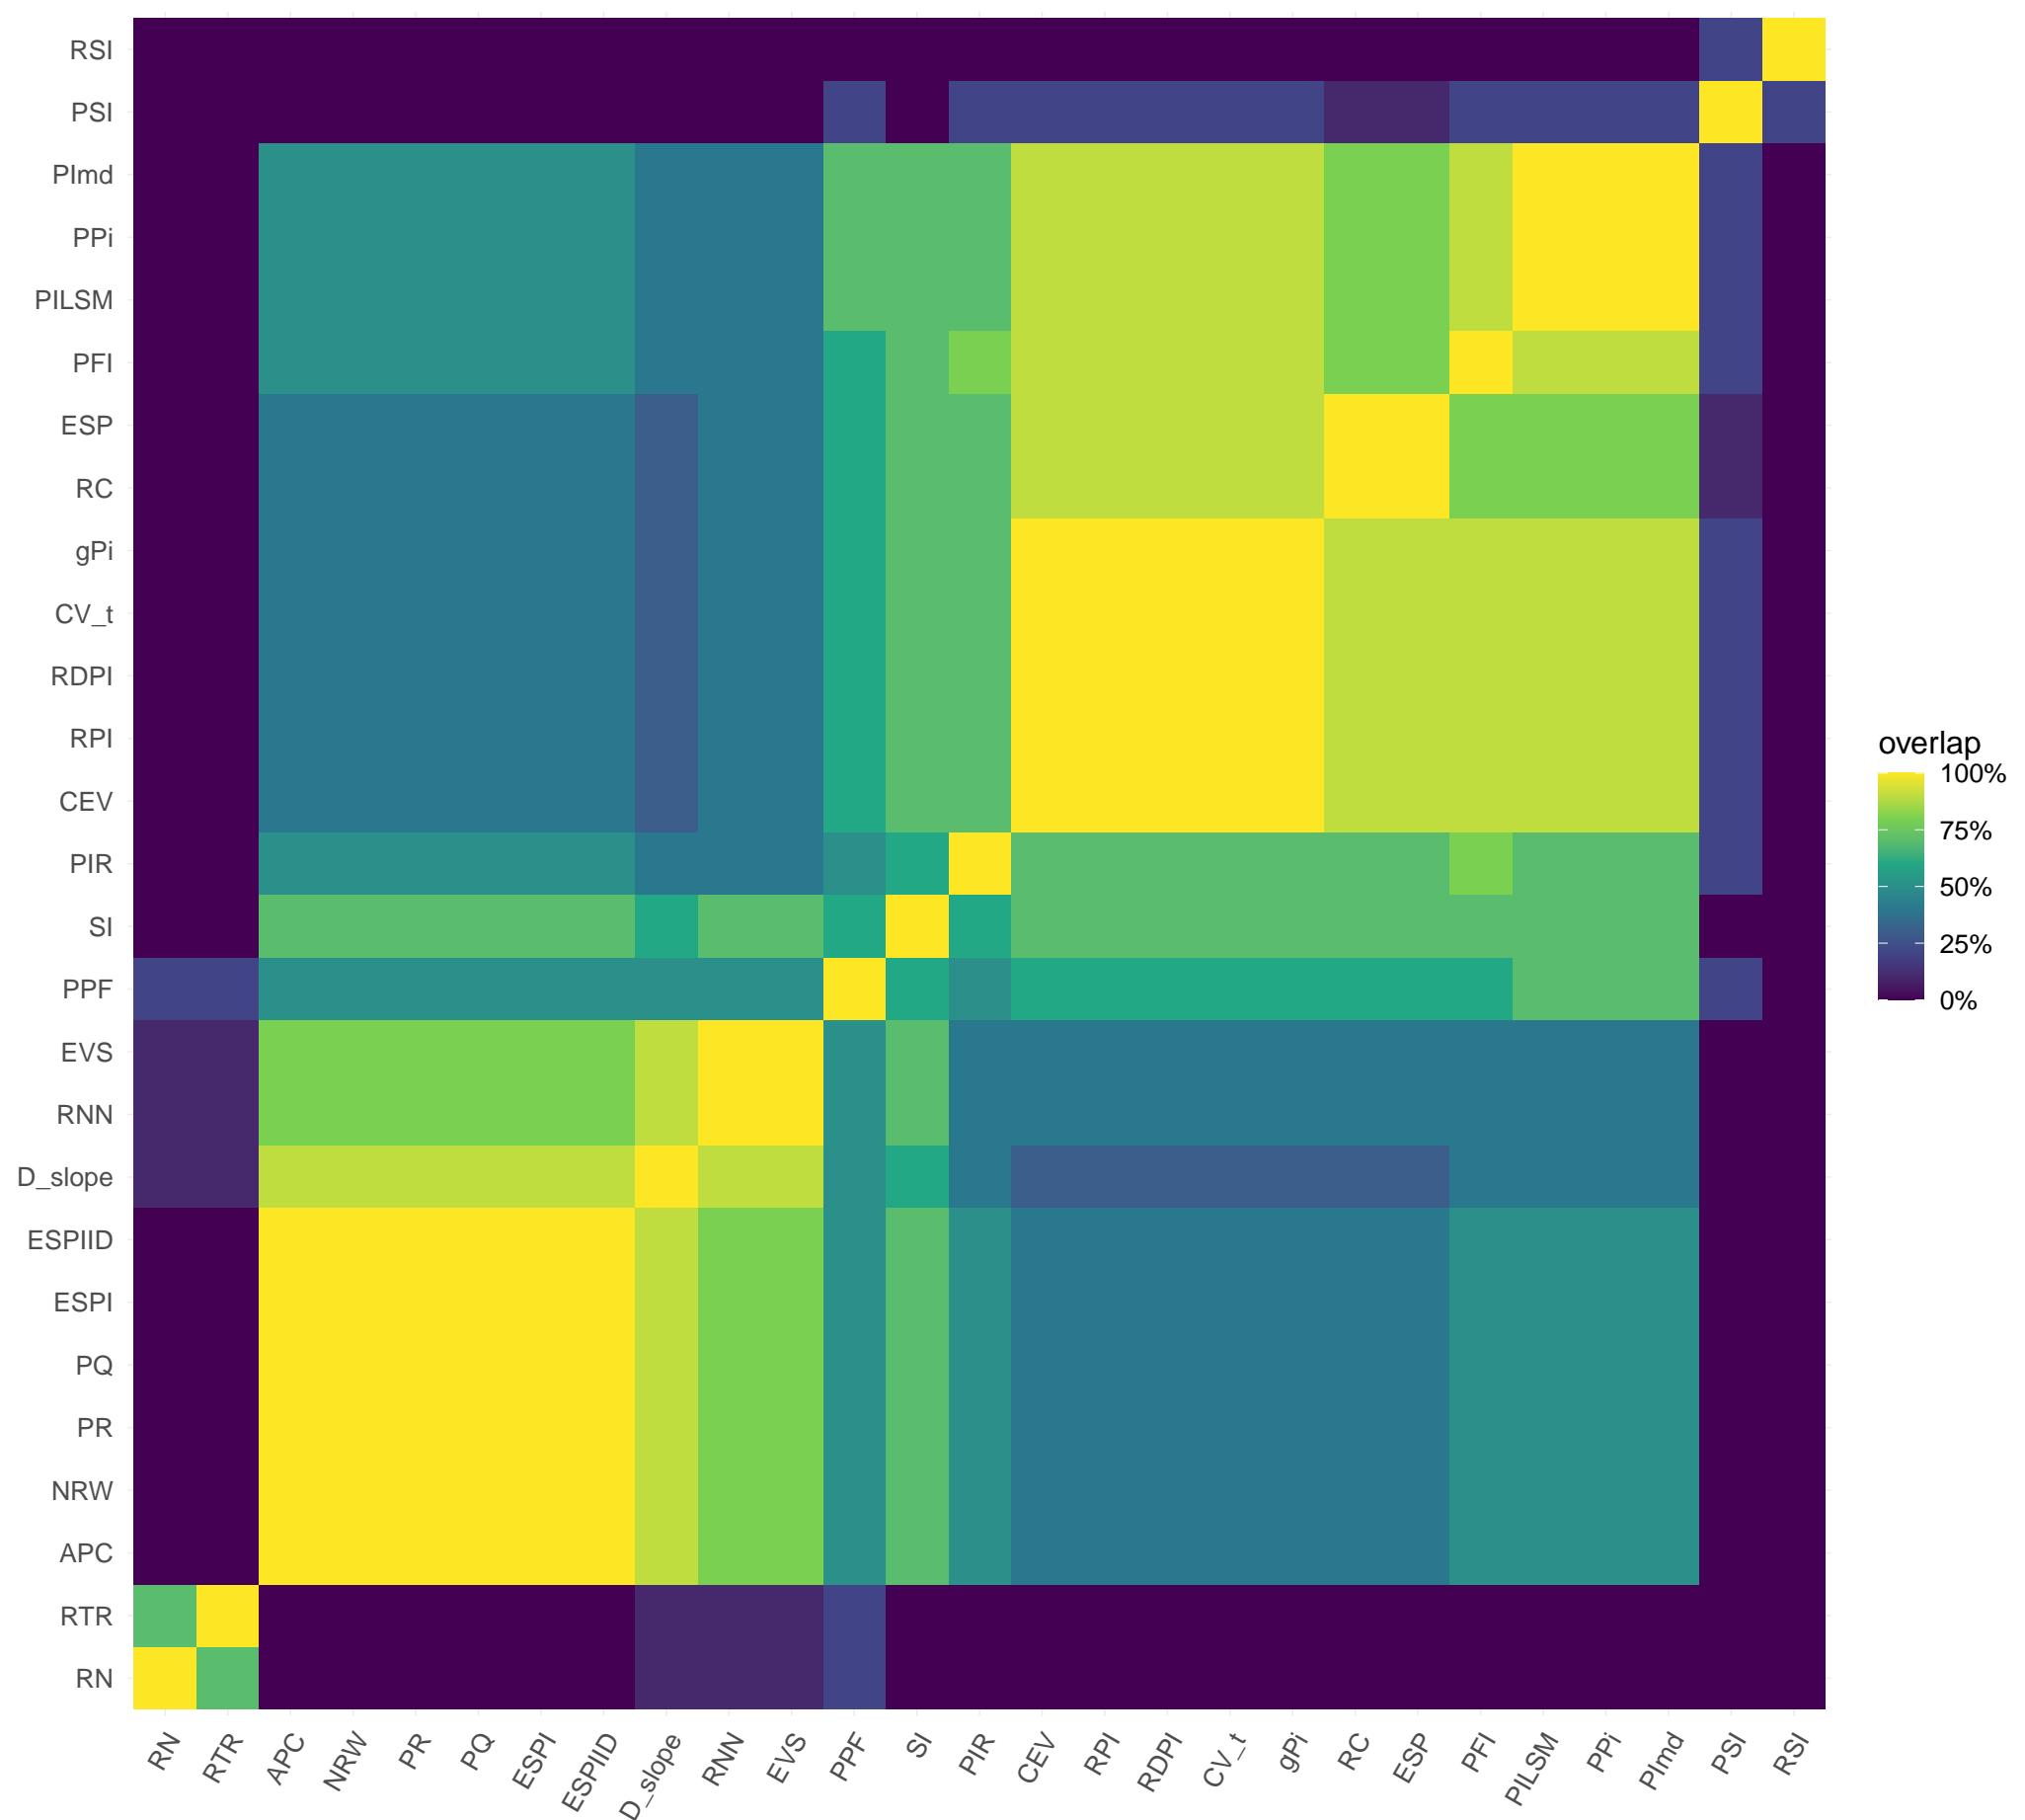

Pairwise top-3 overlap (methods \times methods) . Rank Agreement (k=3)

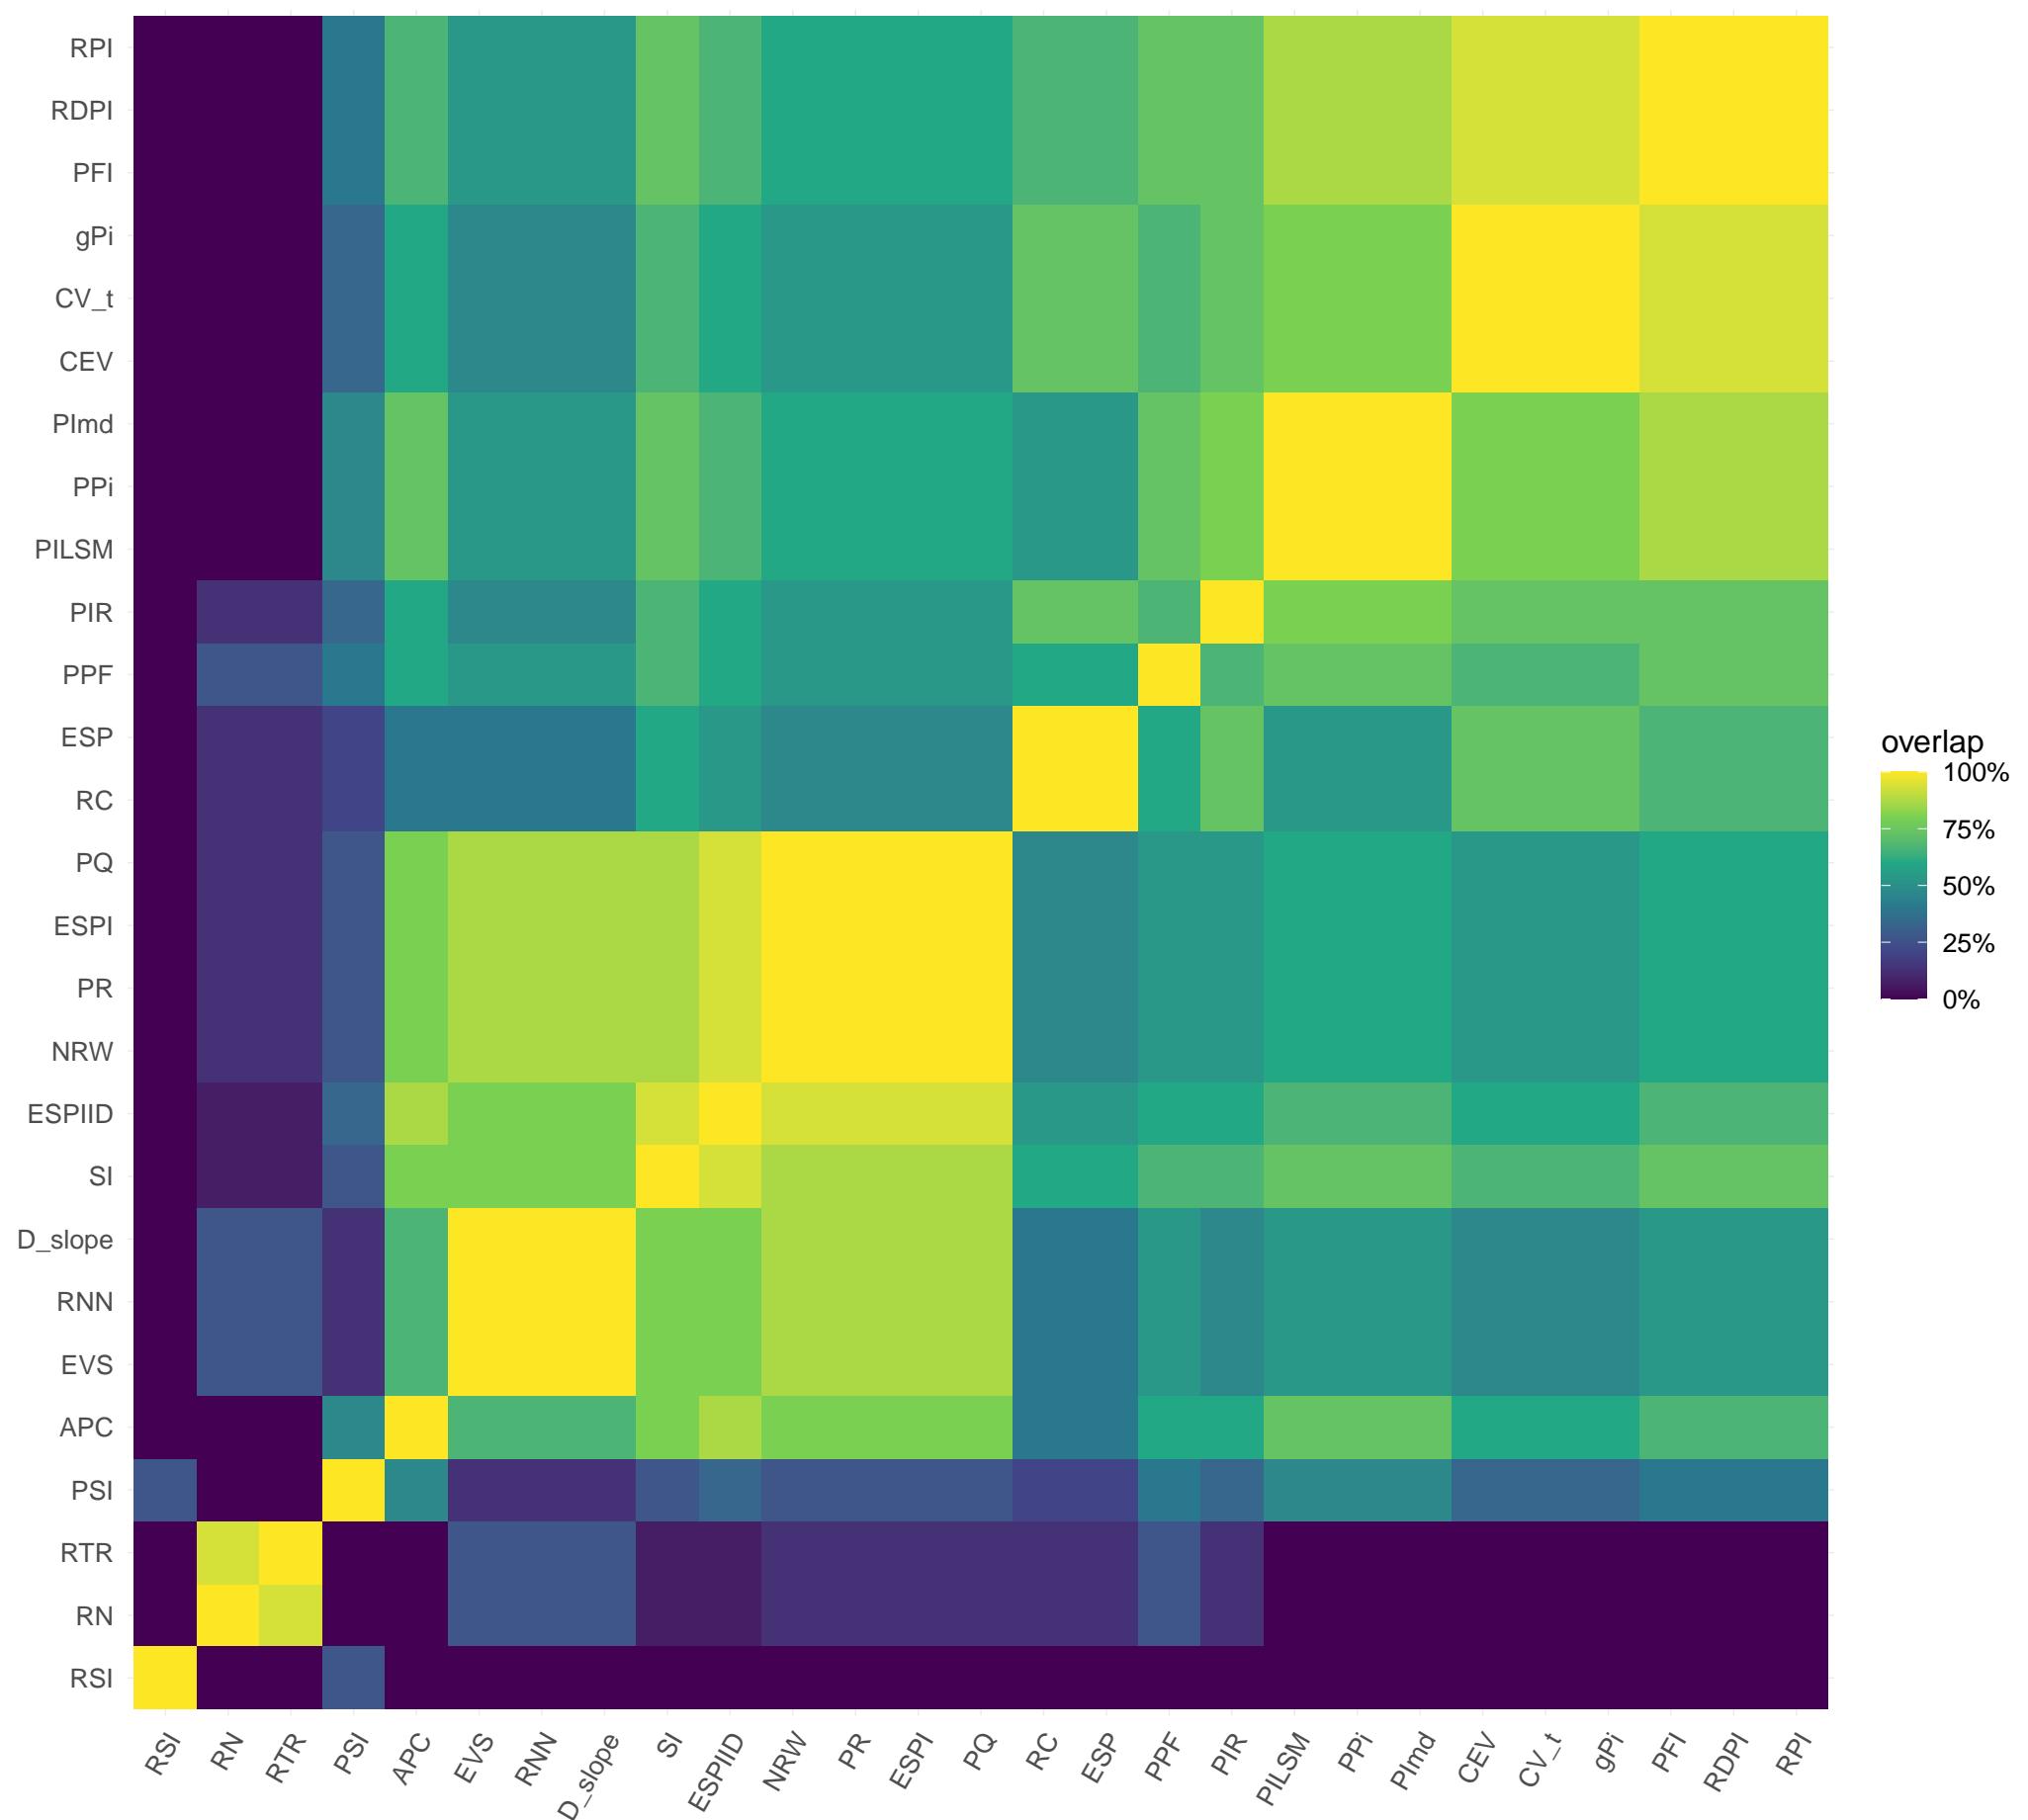

Pairwise top-5 overlap (methods \times methods) . Rank Agreement (k=5)

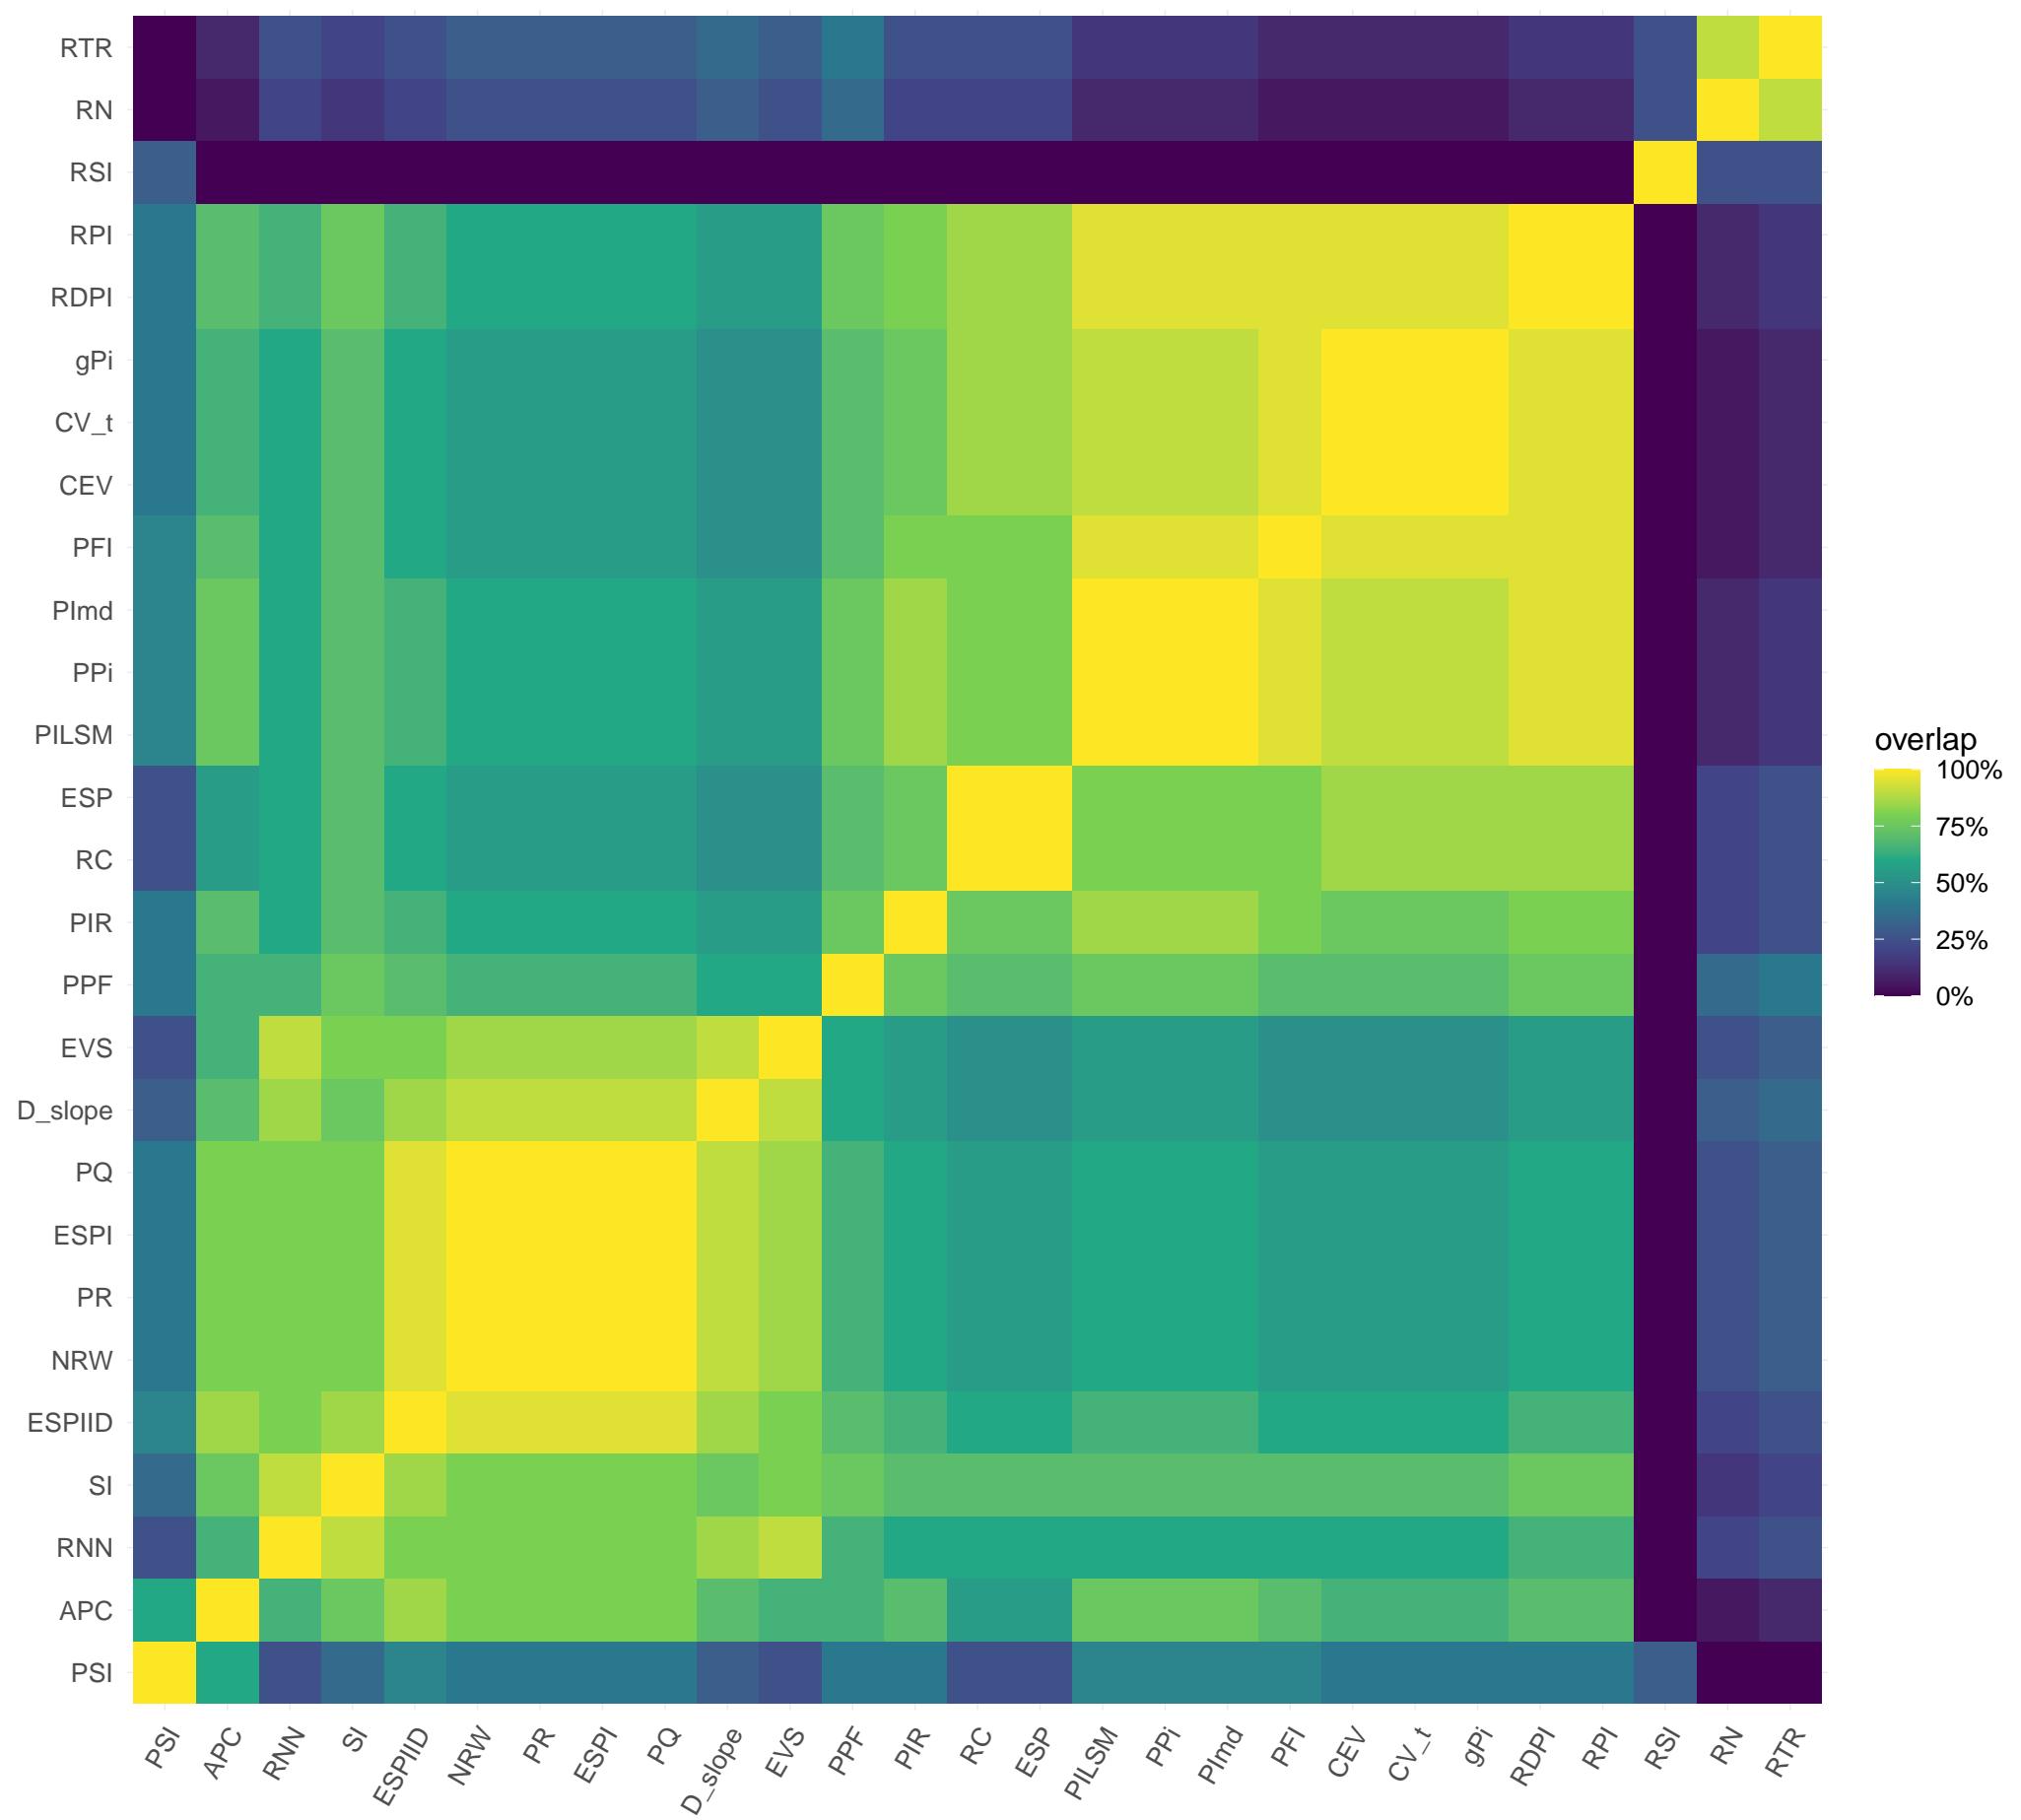

Pairwise top-10 overlap (methods \times methods) . Rank Agreement (k=10)

Pairwise top-15 overlap (methods \times methods) . Rank Agreement (k=15)

Pairwise top-20 overlap (methods \times methods) . Rank Agreement (k=20)

PCA Biplot: Genotypes x Methods x Summary Stats . Rank Agreement Analysis

Gray points: Genotypes | Colored arrows: Plasticity methods | Red arrows: Summary statistics

PC1: 80% variance | PC2: 7.9% variance
